**Yn ogystal:**

Wedi atodi gyda adroddiad eich plentyn mae canllaw i ddeall wybodaeth a ranwyd am yr asesiadau. Hoffwn bwysleisio unwaith eto eleni mai dim ond cip olwg o'ch plentyn yw'r asesiadau yma. Prif bwrpas yr asesiadau i'r ysgolion yw i ennyn trafodaeth ynglyn a cynnydd a'r ffordd ymlaen l bob unigolyn. Maent hefyd yn cynnig gwybodaeth sydd yn cefnogi cynllunio staff. Rydyn fel ysgol yn rhoi llawer mwy o bwyslais a ffydd mewn asesu parhaus sydd yn digwydd yn ddyddiol a trwy sgysiau gyda'r disgyblion.

**In addition:**

Attached with your child's report is further guidance for you as parents to support you in understanding the information shared regarding the assessments. I would like to emphasize once more this year that these assessments are only a snapshot of your child's attainment. For us as a school the main purpose of these assessments is to begin a discussion regarding progress and the next steps for each individual. They also offer information which supports teacher planning. As a school we give much more emphasis to continuous assessment which occurs daily and through discussions with pupils.
