*Dear Parents / Carers,*

*Eisteddfod yr Urdd term has arrived. Please see below all important closing dates and Eisteddfod dates. As a school we will be concentrating on the art and craft competitions as well as the unison competition.*

*Unfortunately, as a school we are unable to teach any individual competitions but if your child does wish to compete individually in art and craft competitions completed at home/ singing/recital/ dancing competitions make sure that they are firstly an Urdd member 2024-25 and then register for the competition on the Urdd Porth -*

***Can you also inform the school if your child will be competing individually in any competition as soon as possible as the school need to register before the closing date. It is easy to remove your child from a competition but IT ISN'T POSSIBLE to register after the closing dates. Please speak to the school if you wish any support in finding the set pieces for the competitions. All art and craft entries will have to be brought into school before the closing date so that we can take them to be judged.***
